Manassas & Manassas Park Cities Democratic Committee Members' Rights and Responsibilities

Dear applicant for Committee membership:

We welcome and thank you for your interest in our Committee. Since 2012, we have successfully pursued getting Committee members elected to public office. As we grow, we learn and change. With this pattern of growing and learning, it seems appropriate to engage our prospective and renewing members in some basic expectations. As an effective organization, we very much encourage actions by our members that promote a successful, satisfied, and engaged Committee. Please carefully consider these rights and responsibilities, and feel free to engage with us as you see your growth in the Committee emerge.

Rights

- You have the right to have an equal voice in all matters of the Committee.
- You have the right to be heard and your position carefully respected and considered.
- You have the right to be notified in a timely fashion of organized and productive committee meetings.

Responsibilities

- If you are a Regular (voting) member, you are expected to regularly attend our monthly membership meetings, unless the meeting time conflicts with one of your other key commitments.
- You are strongly encouraged to actively participate in at least one MMPCDC subcommittee.
- You are strongly encouraged to stay engaged in City Council activities, especially during budget season.
- You are encouraged to apply for appointment to a City advisory board, commission, or committee (or to the School Board if you live in Manassas Park).
- You are expected to actively help elect our Democratic candidates in all general and special elections.
- You are expected to vote in all elections and party caucuses.
- Unless you are an Election Official or an Electoral Board member or physically unable, you are expected to help greet arriving voters at the polls for each general or special election, during both early voting and on Election Day.

While the above commitments may seem daunting, please know that the leadership team works diligently to meet your needs and honor your requests for your special talents during times of high need. Please reach out to the team leaders as needed. You will find that regular meeting attendance will more than fully prepare you for the responsibilities above.

We want to grow our Committee with you. We thank you for your commitment and promise to make the work you proceed with to be enjoyable and fulfilling.

Sincerely,
Leadership, Manassas & Manassas Park Cities Democratic Committee
